Welcome to the McKinney Engineering Library, located on the first floor of the Engineering Education and Research Center.

We welcome researchers who are not affiliated with the University of Texas, however, our focus remains on the educational, research and study needs of current University of Texas students, faculty and staff.

This Facility Use Policy has been created to protect the rights and safety of McKinney Engineering Library users and staff, and for preserving and protecting McKinney Engineering Library materials, equipment, and facilities.

McKinney Engineering Library and its staff are expected to provide:

- Space for users that is clean, well-lit and safe.
- Tools for users to find and use information and collections quickly and efficiently.
- Service that is courteous, knowledgeable and respectful.
- New services and changes to existing services, in support of our mission.
- Access, within specific guidelines, to the Libraries’ collections, and to collections from other institutions.

McKinney Engineering Library users are expected to:
