

GLOSSARY (GLOSARIO)

Table listing symbols and their corresponding geographical features in both Spanish and English, such as 'Aeropuerto Internacional' (International Airport) and 'Capilla' (Chapel).

COMPILED DIAGRAM (DIAGRAMA DE COMPLICACIÓN)

LEGEND (LEYENDA) section containing symbols and descriptions for populated places, roads, railways, boundaries, and other geographical features.

ELEVATIONS IN METERS (ELEVACIONES EN METROS) section detailing contour intervals, grid systems, and projection information.

BOUNDARIES (LÍMITES) section showing the map's location within Bolivia and its relation to neighboring sheets.

ELEVATION GUIDE (GUÍA DE ELECCIÓN) section providing a vertical scale and instructions for reading elevations on the map.

ADJOINING SHEETS (HOJAS ADYACENTES) section showing a grid of map sheets and their corresponding coordinates.
